

On APRIL 1ST Charlotte City Council's new ordinance will force women and young girls to undress / shower in the presence of men!

CHARLOTTE'S BATHROOM BILL DEFIES COMMON SENSE.

IT FOOLISHLY PUTS WOMEN AND CHILDREN IN GRAVE DANGER

AND VIOLATES THE RIGHT OF EVERY NORTH CAROLINIAN TO LIVE AND WORK IN ACCORDANCE WITH THEIR BELIEFS WITHOUT BEING PUNISHED BY THE GOVERNMENT.

68% Of North Carolinians Agree...

IT'S COMMON SENSE

MEN DO NOT BELONG IN WOMEN'S BATHROOMS

MEN DO NOT BELONG IN WOMEN'S BATHROOMS, SHOWERS, AND LOCKER ROOMS

YET THIS ORDINANCE GETS EVEN WORSE...

All public places, including **churches, schools, and nonprofits**, must allow persons of the **opposite sex** into their **bathrooms, locker rooms, or showers...**

...or be fined, jailed and forced to close.

Charlotte Businesses must comply and **violate** their core convictions and jeopardize the safety and privacy of their employees and patrons....

...or be fined and jailed for opposing the ordinance.

The ordinance **forces** Charlotte Businesses to **comply** and **create messages, promote ideas, and/or engage** in events that **conflict** with their **core beliefs...**

...or be fined, jailed and forced to close.

All NC businesses / nonprofits with Charlotte City contracts **must** adopt these same harmful policies...

...or have their city contract(s) canceled.

This ordinance **violates the NC Constitution** and is **impossible to accurately police** because it's based on **feelings and not biological facts.**

HELP PROTECT OUR FAMILIES, BUSINESSES AND COMMUNITIES ALL ACROSS NC
